60. Which policy mentions "confidentiality after exit" — "Relieving letter.docx", "Breach of Employment Email.docx", or "Code-of-ethics-policy.docx" — and what does each say?

E. MULTI-FILE / AGGREGATION (61-75)

61. List all documents that mention "probation period" and what each says about its duration.
62. How many policy documents mention "manager approval" and what do they require approval for? List them.
63. Across all Company Policies, what are ALL the reasons an employee can be terminated? Aggregate into one list.
64. How many email templates are in the 58 files? List their names and purpose.
65. I selected 3 background verification files — what is the combined checklist before making an offer?
66. What are ALL the leave types mentioned across HR policies (attendance, bereavement, holiday, etc.)? Deduplicate.
67. Across "HR Emails" templates, what is the common structure? Analyze tone across 5 samples.
68. List every file that contains a "confidentiality" clause and quote the line.
69. How many files mention "notice period"? What are the variations (30/60/90 days)?
70. Aggregate all onboarding-related files into one master onboarding flow (30-60-90 + checklists + orientation + welcome package).
71. What data does "HR Certification and Courses.xlsx" and "HR Activities Planner Calendar 2024.xlsx" together tell us about planned training in Q3 2024?
72. In all HR Forms — what signatures are required to mark an employee as fully cleared?
73. List all IT policies and their primary audience (all employees vs IT staff).
74. How many Finance-related policy lines mention "reimbursement"? Pull them together.
75. Which 3 documents would I need to handle a full employee lifecycle from joining to exit? Justify.

F. SCENARIO / ROLE-PLAY (76-90)

76. Scenario: A new hire joined yesterday and hasn't completed their joining form. As HR, what do I send today per the templates?
77. Scenario: An employee wants to use their personal laptop for work. What must I share per BYOD + Assets + Cyber-security policies?
78. Scenario: An employee's father passed away. How many days leave can I grant and what proof is needed per bereavement policy?
79. Scenario: A manager wants to reject a candidate after final round. Draft the email using the correct template and explain timing.
80. Scenario: An employee damaged a company laptop. Who pays, per Company Assets Policy?
81. Scenario: An employee wants to post about the company on LinkedIn. What does social media policy allow?
82. Scenario: I need to announce performance reviews next week. Draft the announcement email per the template.
83. Scenario: An employee is transferring to another department with a promotion. What letters/forms are needed?
84. Scenario: A remote employee in another city is onboarding. Which checklist items can be done virtually per the remote checklist?
85. Scenario: An employee claims overtime for weekend work without prior approval. Will it be paid per Overtime Policy?
86. Scenario: A candidate failed the criminal background check. Can we still hire? What does the verification policy say?
87. Scenario: An employee wants encashment of unused holidays. Is it allowed per Holiday policy?
88. Scenario: An employee resigns with 15 days notice but policy says 60 days. What does Exit Process + Relieving Letter say must happen?
89. Scenario: As HR, I must plan Q4 engagement activities. What does the HR Activities Planner suggest for Q4?
90. Scenario: An employee asks about ESOP eligibility after 6 months. What does the ESOP scheme say?

G. SPREADSHEET / FORM DATA (91-100)

91. From "Employee Clearance form.xls", list all clearance columns and how many departments must sign off.

92. In "HR Activities Planner Calendar 2024.xlsx", how many activities are planned in July 2024 and what are they?
93. From "HR Certification and Courses.xlsx", how many courses are listed, and which ones are free vs paid?
94. In "HR_Employee Engagement Activities Planner.pdf", what are the Q2 activities and their owners?
95. Extract the full row for a sample employee from "Employee Clearance form.xls" — what does a completed clearance look like?
96. How many forms in "HR Forms and Letters" group are Excel-based vs Word-based?
97. From "HR Activities Planner Calendar 2024.xlsx", what is the budget column total for Q1 if present?
98. Compare the two identical-name spreadsheets: "HR Activities Planner Calendar 2024.xlsx" vs "HR_Employee Engagement Activities Planner.pdf" — do they list the same events?
99. What is the approval chain in "Employee Clearance form.xls" — who is the final signatory?

H. EDGE / TRICKY / NEGATIVE CASES (101-112)

101. Which file says the OPPOSITE of "Company-Holiday-policy.docx" on carrying forward holidays — if none, say so.
102. A question with no answer: What is the company's revenue last year? (Should answer: not in these HR/IT files.)
103. I selected only "Finance" files — can you answer about bereavement leave from them? Should state not found in selected files.
104. List all files you CANNOT answer a salary question from — and why.
105. What happens if I ask about "maternity leave" — which file covers it, or is it missing? Be explicit about gap.
106. Ask two files the same question: "What is the notice period?" to "Relieving letter.docx" vs "Exit Process.docx" — do they agree?
107. If I typo "Attendance Policy" (missing t), can you still find "Attendance Policy.docx"?
108. Ask a question that requires reading a DOCX + an XLS together: What is the onboarding owner per the 30-60-90 plan and where is it tracked in the planner XLS?
109. Which policy was updated most recently — infer from content dates if mentioned, or state not dated.
110. Are there any contradictory statements between "BYOD Policy.docx" and "Company-data-protection-policy.docx" on personal data on personal devices?
111. If I upload only "Employee Termination Email.docx" and ask about bonus policy, what should you answer?
112. Summarize what is NOT covered in these 58 files that a complete HR handbook should have.
